

SARRATT PARISH COUNCIL
COMMUNITY INFRASTRUCTURE LEVY
REGULATION 121B
MONITORING REPORT 2020/21

Introduction

Community Infrastructure Levy

The Community Infrastructure Levy (CIL) is a charge which allows the Council to raise funds from new developments for use on infrastructure to support the growth of the District. It came into force on 6 April 2010 through the Community Infrastructure Levy Regulations 2010. The money collected from the levy will be used to support development by funding infrastructure that the Council, local community and neighbourhoods need.

The levy will apply to most new buildings and development over 100 square metres in size. Charges will be based on the size, type and location of the new development and are set out in the Charging Schedule.

Three Rivers' CIL Charging Schedule was adopted by a decision of Full Council on 24 February 2015. It came into force on 1 April 2015.

Further information can be found on the Three Rivers District Council Website:

In line with The Community Infrastructure Levy (Amendment) (England) (No.2) Regulations 2019 the Charging Authority (TRDC) has a duty to pass a proportion of CIL receipts to local councils as per Regulation 59A, and in line with Regulation 121B, the Parish Council is required to list a yearly CIL report on its website for funds received from the Charging Authority and expenditure of such funds.
