Hertfordshire helping to  
keep our county safe**

Dear Resident,

## You were out when we called today

Hertfordshire Neighbourhood Watch and Hertfordshire Constabulary would like to encourage you to register for our FREE local email messaging service, which we call OWL (Online Watch Link). Members receive regular email updates from their local policing team, including crime alerts, scam warnings, missing person appeals and the latest crime prevention advice to help keep you and your neighbours safe.

You can register for this service in the following ways:

- Visit [www.owl.co.uk](http://www.owl.co.uk) and complete the online registration form.
- Contact us by email at [police@owl.uk](mailto:police@owl.uk)
- Call 101 (Police non-emergency number) and ask for the Watch Liaison Office.

Kind regards,  
Your local Police Safer Neighbourhood Team
